Fjords®
Relaxation Made Beautiful

Fjords Stella
Comfort Collection

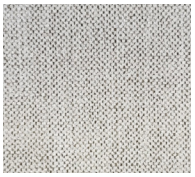

The Fjords Stella recliner and ottoman offer a refined balance of style, comfort, and function. Designed in a single, perfectly proportioned size, the Stella features a unique center-post glide system with a lock mechanism that, when disengaged, allows for a gentle rocking motion–adding an extra layer of relaxation. The chair is supported by a sleek black metal star base that complements its modern silhouette. Available in a wide variety of premium fabrics and leathers, the Stella can be customized to suit any interior, making it a versatile and elegant addition to your living space.
